

# SCHLOSS KRUMBACH INTERNATIONAL SCHOOL

## Executive Summary

### Applicant Profile

- Are you looking for a high-quality educational option in a safe, dynamic, and engaging international environment, in a unique historical setting of a 13th Century Castle?
- Do you search for a school that cultivates robust academic knowledge across a range of subjects from societies and ethics to sciences and mathematics, ensures a healthy and active lifestyle, and carefully embeds culture trips, athletic activities, and events into a curriculum?
- Do you want to leave the school brilliantly educated, having mastered English and German, and holding an internationally recognised diploma that would open you the doors to numerous universities worldwide, without entrance exams?

### **We've got you!**

[Schloss Krumbach International School](#) is a co-educational boarding school for students of 12-19 years old (Grades 7-12), based in a 13th Century Austrian castle. Through our heritage we are able to secure the best of the past but keep firmly an eye on the future.

Schloss Krumbach International School sets a new benchmark within the category of highest quality and sophisticated boarding education. We are the only school in Austria with all of the following accolades:

- Accredited IB World School offering IB Diploma Programme
- Accredited Cambridge International Education School offering IGCSE and Advanced Level (A-Levels) Diploma
- Accredited Duke of Edinburgh (DofE) Award centre
- Member of CIS (Council of International Schools)

Our school is small enough to have a truly bespoke offering to each individual student but large enough to provide the finest of challenges and opportunities both within and outside the curriculum. We provide high-quality international education in English, a range of extracurricular activities and sports, an innovative bilingual system of studying (English and German throughout Grades 7-10), co-curricular day trips around Europe and a unique student leadership system.

For your convenience, please find some of the key information regarding our school below.
